AN HONEST FRIEND.

Cleared Away the Family Troubles. There is not one thing on earth that could enter a family and do as much honest good and bring as much happiness as in certain cases where coffee dinking is left off and Postum Food Coffee used in its

place.

A family in Iowa Park, Texas, furnishes a good illustration. The mother says, "I want to tell you what happened in our family when we left off coffee and took up Postum. About eight menths ago we made the change. I had been, for quite a while, troubled with rheamatism in myright hip and shoulder, swimming of the head, and fluttering of the heart, so I thought I had heart trouble.

Sometimes in walking my head would awim so that I would be obliged to sit down. I had other disagreeable feelings I can not describe, but they will be readly understood by ceffee drinkers if they will confess it.

I can not describe, but they will be readily understood by ceffee drinkers if they will confess it.

My family were also more or less fil and were all coffee drinkers. Well, we gave up the coffee and started in on Pottum Food Coffee; husband, myself and four children. Even the two year and bady she had been puny since having the grip and her coffee along with the rest of the family. When we made the change to Pottum she began to fatten and now is perfectly healthy and fat as a pig.

My boys, ten and twelve years of age, are so stout and muscular that people remark about them and ask what makes them so. I do not have any more troubled neither does my hashand, who was troubled much in the same way. We are all to better beath every way than we have been in Fears and we are always glad of an opportunity to recommend Posmm. I kope what I have said will lead others to make the change." In the Tenth and the Winning Runs Went Over the Plate-To Play Again Today.

The Cawthons defeated the Port Arthur team yesterday in a closely contested and deeply interesting game of ten innings by the score of 11 to 0. Aside from the clever pitching of Brigance, a fine running catch and throw home of Fredericks in the sixth inning and Edmundson's corking drive in the tenth were the distinguishing features of the Cawthons' play. The pitching of Howe and the fielding and butting of Gar-Mizzen and Fulminate won the New York steeplechase.
